

**SITCA** is proud to be a provider of fast, reliable, and **green** web hosting. Our hosting servers are powered and cooled by wind-energy and the purchase of Renewable Energy Credits. By utilising this approach SITCA is effectively contributing to:

- Removing carbon-emission intensive cars off the road
- Powering homes
- Saving barrels of oil
- Protecting acres of forest

With plans starting as low as USD\$10.50 monthly, you can select a package that best suites your need. We offer a full-service package where you can:

- Register your domain with SITCA
- Host your web site with SITCA
- Build your web site with SITCA

Getting your online presence can be daunting depending on your provider of choice - we have been there. Our team is experienced and skilled to guide you through getting your domain registered.

With our fast and reliable servers, daily backups, and redundant systems, be assured that choosing to host your web site with **SITCA** will be a decision you will not regret. Packages start from as low as \$10.50 (USD) monthly.
